## Welcome Back From Your PTA Board!

2018-2019: Sep 14

Parents that are new to Felida, welcome. To those returning, welcome back. It is so difficult to adjust from Summer to Fall, when anxiousness about school and the sun being out too late makes it difficult to fall asleep. When late nights mean morning struggles, know you are not alone. We are in this together. Friends make it all a little more bearable.

Although Felida is a large school, it also feels like a small town; parents, students, and staff are all so interconnected. Your child may recognize a parent volunteer at pizza or avoid eye contact with at teacher at Target, but the support system we're putting into place will impact their lives for years to come.

You are a part of that system. You contribute to it in your own unique ways. If you are looking to become more involved, we can help. If you want to show support but don't have time to attend meetings or volunteer, become a member anyway. We want you to be involved as much as you want to because you have so much to add to our Falcon Family. Welcome!
