

### Thank You for a Great Year!

As the year starts to wind down, we would like to take this opportunity to thank all those who made this year such a success. Thank you, board members, for all your dedication to helping out whenever and wherever you were needed. Thank you, Committee Chairs! You made this past year's events so successful! AND thank you volunteers!!! It is always so amazing to see so many faces helping out in and around the school!

Our PTA, works only if we have the man power to complete our goals that we set for the year. If you are interested in working with amazing people, please talk to one of the board members and we can help you find a place that you will enjoy, while serving your school. Our success depends upon you and your families. Please accept our deepest thank you for all you have done to help the PTA succeed this year.

We want to wish all of you a healthy, safe and happy summer. See you next year!
