Give the Gift of PTA

Did you know that you don't have to be a parent or a teacher to be a PTA member? Any member of the community is welcome to show support by becoming a member!

Further, PTA membership makes a great holiday present! Shopping for Grandparents, Aunts and Uncles, and other invested adults that love your kids and care about their education? By gifting a PTA membership, you are supporting the PTA and helping them feel more connected with your child and their future!

Membership has a ton of added benefits as well. To learn more, [click here](#).

There is no additional commitment. PTA membership is just a way to show support for all the PTA does for kids at your school and throughout the state!

Please consider gifting a membership this holiday season.
