A Note From the PTA President

As the school year comes to an end, I know everyone's plate is full. I know mine is. It has been very rewarding for me to be your PTA President for the last two years. When I joined the PTA, I never knew how rewarding it would be. My journey has given me the opportunity to make lots of new friends with teachers, staff and other parents. I could not have done it alone. I didn't completely understand just how important of a role the PTA plays in so many programs in our school. Support of the PTA volunteers and their time at events help to fund so many programs.

This year we are not finding anyone to step up and volunteer for PTA President. This position requires 5-6 hours a month of your time. It can also be shared between two people to make it easier. I am volunteering to take on the role of VP, so I am available to help anyone in the next year get acclimated to the position. As a PTA, by law we are only allowed to serve a two year term. My term is up. If you are someone that thinks they can allot 5-6 hrs a month to help our kiddos and our school, please reach out. You will not be alone. Most of the work is done from home. If you have an interest, please contact me at felidafalconspta@gmail.com. I would also like to invite you to show up to our PTA General meeting and see how things are run. We are voting in our new budget as well as other board positions that have been filled. I cannot emphasize enough how important this role is to our school.

Thank you for allowing me to be of service and have an awesome summer!

Thank You for a Great Year!!

Thank you so much for all your support this year! The PTA exists because of Parents and Staff that go out of their way to make our community special. We've had great participation in events, fundraising, and teacher appreciation all year!

A special thanks to everyone for all your contributions for staff appreciation week. We hope you stay involved next year and for many years after!
