A Welcome Back Letter From Your PTA

As we start a new school year with focus on flexibility, your PTA is still working hard to support every student and teacher at Felida Elementary. We're also looking at ways to support our parents and community at large. Now more than ever we need members that share our commitment to this mission.

This is a call to action. Please, reach out to us and let us know what you would like from your PTA this year. How can we support you? What would you like us to do? And please, join our PTA today.
